

Outroduction for Elizabeth

(Join Elizabeth on Stage after the Applause)

Wasn't Elizabeth great?

(SAY A FEW WORDS @ YOUR FAVORITE PART)

It such a honor to have Elizabeth here with us and **now YOU can take her HOME with you....** (PAUSE, Look at Elizabeth-wait for laugh) through her best-selling book, *The Pilot Method* and her other 18 business books.

Go see Elizabeth at her table to ask her a question, get a picture with her, or purchase her autographed books.

Let's give another round of applause to thank Elizabeth McCormick for her service and teaching us how to FLY.
