WHAT CLIENTS SAY

“From start to finish, working with Elizabeth was an absolute pleasure. Her professionalism and follow-through was greatly appreciated and helped to ensure the success of our event. On stage, Elizabeth is a natural and has a compelling story that is a fit for any audience. Her passion shines through and motivates the audience to take the steps to FLY {First Lead Yourself}. She **kept the audience engaged** and wanting to know more. She was friendly with our attendees and ensured that everyone who wanted a signed book or picture with her received it. Elizabeth’s session was the **perfect way to close our conference** by providing an empowering sendoff to our clients. Her story and delivery most definitely inspired our audience to look within and become great leaders.

Michelle C., CMP, Events Manager,
Compliance Solutions, User Compliance Conference

“I have had the opportunity to observe Elizabeth McCormick, former US Army military pilot, speak to two very different groups.

On a scale of 1 to 10, her presentation was 100. She engaged and inspired the audience with her personal story and life lessons, which give you a sense of hope and empowerment.

Her story is very riveting, it will make you laugh and cry at the same time. Her audiences are spell-bound and will leave energized.
